

Alice Project Schools

April 13, 2023

Dear Roger La,

On behalf of the founder and director of Alice Project, Valentino la and all staff members and students, we would like to express our condolences and we are deeply sad to hear the news that our Guru, Lama Zopa Rinpoche has left us physically, but we know that he is always with us spiritually.

We will do prayers with our students for the quick reincarnation of Rinpoche. We will always keep his teachings within our heart.

Om Mani Padme Hum

Faithfully
