

April 13, 2023

Dear Venerable Holly Ansett and Venerable Roger and FPMT family,

We hope and pray that you are well. We all are numb and saddened by the news of Rinpoche has stopped breathing and entered into thuktam this morning at 9.30 a.m.

When we came know about it, we the staff and elders gathered in our prayer hall and dedicated our prayers for Rinpoche to be reborn as quickly as possible in a place where His Holiness could recognize him and he will be of the most benefit to us and to all the sentient beings in this world.

Our hearts are broken just like yourselves' and everyone's in the FPMT family. Our eyes are wet. We request our dear family members of FPMT, please be strong and hold your hands together to fulfill the wishes of Rinpoche.

Our prayers and deepest condolences are with you all.

We lit 108 butter lamps for the speedy reincarnation of Rinpoche for the benefit of all the sentient beings.

We are always with you in every way.

With lots of prayers

Yours from Old and Infirm People's Home, Mundgod, Karnataka
