Dear Holly Ansett,

I am deeply saddened to hear of the passing of His Eminence Kyabje Lama Thubten Zopa Rinpoche. It is a profound loss of the Buddhist community and for all those whose lives he has touched with his divine intervention. Please accept my heartfelt condolences during this difficult time.

Lama Zopa Rinpoche has been an integral part of our organization, and his unwavering support has been invaluable in our mission to save lives. Through his selfless efforts and divine guidance, our NGO has been able to make a meaningful impact in the lives of many people. His dedication to helping those in need and his compassionate soul will always be remembered. We all wish and pray that we will see the reincarnation of Rinpoche soon.

I know how much Rinpoche and FPMT meant to our organization and to all of us who had the privilege of working with him. His kindness, wisdom, and grace will be deeply missed, and his legacy will continue to inspire us to carry on his work in serving others.

Please know that Rinpoche is in our thoughts and prayers during this challenging time and we will keep the divine intervention from Rinpoche and continue to serve the needy ones in the future. If there is anything we can do to support you and your loved ones, please do not hesitate to reach out. May Rinpoche rest in peace, knowing that he has made a significant difference in the lives of many, and may his mind find eternal peace in the divine realm.

With heartfelt condolences,
