Dear Holly,

We are deeply saddened to hear of the sudden demise of His Eminence Lama Zoepa Rinpoche who has been very grateful to us. We are always blessed by his Eminence and are always grateful to him.

I know it is hard for you, the whole members of FPMT and ofcourse for all his disciples but I hope you all are keeping strong. I would like to send my deepest and sincere condolences to all of you. Today, we the people of the Rabgayling Tibetan settlement gathered in the community hall which was funded by rinpoche and held a prayer for his soul to rest in peace and for the speedy reincarnation.

His love for us will forever live on in our hearts. May his soul rest in Peace.

With lots of love

Tenzing Dhadon
