Dear Ven. Roger Ia:

Sera Kopan Sangha thanks you sincerely for your guidance in this very difficult moment for all of us.

While our precious Guru sits in meditation at Kopan Monastery, the Sera Kopan Sangha is offering pujas and serial recitations of 'The Eight Prayers', 'Guru Puja', 'The Essence of Explanation of Definitive and Provisional Meanings (*Drang Nges Legs bShad sNying Po*)', 'Bodhicaryavatara' and other texts. We also met Ganden Tri Rinpoche, Khensur Rinpoche Lobsang Deleg and Geshe Thubten Rinchen from Sera Mey and requested them for advice.

Sera Kopan Monks are offering the prayers and the serial recitations at both Kopan House and at Osel Labrang. We have also deputed two monks from Sera Kopan to travel to Kopan Monastery and assist with the various activities being presently performed at Kopan Monastery.

Please do let us know should there be any assistance that you and your team need with any of the activities.

Sincerely,

Thubten Kalden
On Behalf of the Sera Kopan Sangha
