Dear Dharma brothers and sisters at Kopan monastery,

Gaden Shartse Monastery is utmost in mourn upon hearing the sad news of Kyabje Lama Zopa Rinpoche la's passing away. We would like to extend our deepest condolences to all his devoted disciples and Dharma friends at Kopan monastery as well as across the globe.

Venerable Lama Zopa Rinpoche la was invaluable and have worked ceaselessly for the benefit of all the sentient beings. Venerable had rendered his support and generosity to our Gaden Shartse Monastery. The effect of his sudden demise is felt deeply by our monastery sanghas and reminded us again of impermanence. His kindness and decades of Dharma practice would be remembered dearly in our sincere prayers. We take this opportunity to preach his Dharma teachings and turn weakness into strength in the course of practice.

We pray for the fulfilment of Venerable's aspirations and for swift reincarnation in the pure land of Buddha hood. We have dedicated Monlam puja for Late Reverend Lama Zopa Rinpoche la and will continue dedicating prayers. May all the obstacles clear away.

With deep condolence and prayers,

Gaden Shartse Monastery
