Dedication Verses
From Nagarjuna’s Jewel Garland, v. 483–485

Like the earth, water, fire, and wind,
Medicines and monastery firewood,
May I always be enjoyed by all sentient beings
As they like and without resistance.

May I cherish all sentient beings like my own life.
May I cherish them much more than myself.
May all their negative karma ripen on me
And may all my virtue ripen on them.

As long as any sentient being
Has not been liberated [from samsara],
May I abide [in samsara] to help them,
Even though I could achieve highest enlightenment.
