

Opportunity to Offer Service as European Regional Coordinator

The European Regional Coordinator supports FPMT affiliates and entities pending affiliation in the Europe, in their work to offer the FPMT Five Pillars of Service and fulfil the FPMT Mission statement.

FPMT regional and national coordinators provide support by working as a local link between affiliates and International Office, as part of FPMT regionalization strategy.

The European Regional Coordinator Aims To:

- Communicate as much as possible with FPMT centers, projects, services and study groups to help them understand and implement FPMT policies and education programs, and to develop sustainably and well as part of the FPMT mandala.
- Help affiliates recognize that for entities to fulfill the FPMT mission successfully in the short, medium and long term relies on alignment with FPMT Inc., good governance, and karma.
- Work together with local FPMT entities and National Coordinators to be able to identify and help resolve potential problems before they become serious.
- Understand the needs and concerns of affiliates, and share those with International Office.

The Regional Coordinator Does that By:

- Working closely with the FPMT Center and Teacher Services, and Education Services directors;
- Sharing relevant information locally, and from and to International Office, via a local e-newsletter and other communication tools;
- Organizing an annual well-structured regional meeting, and following up on action points agreed during those meetings;
- Coordinating occasional additional forums;
- Acting as the European designated protection person;
- Coordinating a regional mediation committee able to assist in the resolution of grievances where necessary;
- Coordinating tours of teachers from our Tibetan Teacher List, and other FPMT registered teachers to the region;
- Setting-up a sustainable financial structure to support the European Office.

Skills Required:

- Previous experience as director, SPC, or board member of an FPMT affiliate, or as an FPMT regional or national coordinator;
- Good communication skills and fluency in English;
- Well organized;
- Computer literate (comfortable with email, word processing, excel, etc);
- Able to dedicate an average of ten hours a week
- To start with, a few hours could be paid up to 200€/month; it is hoped that the coordinator will work with the European affiliates and Center Services to create a more sustainable model for the long-term by generating more income;
- Not currently serving as an FPMT director or SPC;
- Able to begin the handover from Nicolas ASAP;

- This is a part-time paid position reporting to the Center Services director at FPMT International Office. There will be a three-month probationary period.
