

Kopan Monastery is looking for qualified, experienced teachers, in English, Science and Math, to help out at the Kopan School.

A minimum commitment of 3 months is required, and longer commitments are welcome. (See more information on visa below)

Kopan offers, food and board for the length of the stay. There is an option to attend meditations and classes during free time, and during school holidays.

Kopan School is now a government-registered school following the Nepal school curriculum.

One of the tasks of the volunteer teacher is to help prepare the students for their class 8 and 10 government exams, therefore we are looking for teachers specially for these grades. Kopan is also looking for English teachers with experience in teaching children in class 1, 2 and 3.

Visa: For Nepal you need a valid tourist visa, which is available for 5 calendar months every year. There are no special requirements for this visa. For US citizens it is possible to receive a 5 year visa for 6 months in every calendar year.

If you are interested and can make a longer commitment, please email the Kopan office - info@kopanmonastery.com
