Director Tim McNeill

What does it mean to be an
FPMT Center, Study Group,
Project or Service?

If a center, project or service is
affiliated with FPMT, it means
that it follows the spiritual
direction of Lama Zopa
Rinpoche. It means that
centers and study groups use
FPMT's educational programs
and material, created in the
unique lineage of Lama Yeshe
and Lama Zopa Rinpoche.

Each FPMT center, project
or service is incorporated
individually (is a separate legal
entity) and is responsible for its
own governance and finance.

All FPMT centers, study groups,
projects and services follow
the FPMT Ethical Policy.

FPMT study groups are groups
which are using this status as a
probationary period before a
group becomes a legal
entity and a full FPMT center
or project.

FPMT study groups are not yet
affiliated with the FPMT, and
therefore do not have the same
responsibilities as a center
or project, financially or
