

# DESIGN COMPETITION!

It is Lama Zopa Rinpoche's wish that his "Live with Compassion" quote be seen far and wide:

*Live with compassion.  
Work with compassion.  
Die with compassion.  
Meditate with compassion.  
Enjoy with compassion.  
When problems come,  
experience them with compassion.*

We are inviting you to help make that happen.

We are looking for graphic designs that will enable this quote to be printed on cups, T-shirts, magnets, buttons, and bumper stickers. How would *you* most beautifully and effectively work with this quote and spread this important message?

The winner of this competition will receive a complimentary one-year Foundation Membership, a *Mystic Tibet* DVD – and a surprise gift!

The required format is print-ready PDF files, along with your ideas of what the design should be printed on, and how it can be best distributed.

**Entries can be sent by email to [education@fpmt.org](mailto:education@fpmt.org) no later than January 30, 2009.**
