Just by reciting this mantra one receives success and cannot be harmed by weapons, fire, water, poisons, substances mixed with poisons, or
black magic. Nor can one be harmed by kings, thieves, robbers, and so forth. Wherever this mantra is written and left, people do not receive
sicknesses, harm, or contagious diseases, and one will achieve the concentration called stainless light.

Here the mantra called “the heart of Arya Vairochana” (the exalted one illuminating the aspects) is completed.
