Education Services at FPMT International Office offers a vast range of Buddhist study programs, prayer books, and practice materials from the Gelugpa lineage. Our study programs meet the needs of beginners through to the most advanced students, from courses introducing Buddhism to the study of Tibetan and the highest philosophical texts.

As the Dharma takes root outside Tibet, we make clear translations of Buddhist texts, prayers, and teachings available through our study programs and publications. We work with translators around the world to provide texts in English, Spanish, Chinese, French, German, and many other languages.

Working in collaboration with the Lama Yeshe Wisdom Archive, we publish Buddhist prayer books, sadhanas, retreat materials, and practice texts, many with commentary by Lama Thubten Yeshe and Lama Zopa Rinpoche. We also offer DVDs and CDs of prayers and teachings that inspire and inform. Whatever your interest, FPMT Education Services provides the materials you need to actualize the Buddhist path.
The Foundation for the Preservation of the Mahayana Tradition (FPMT) is a dynamic worldwide organization devoted to education and public service. Established by Lama Thubten Yeshe and Lama Zopa Rinpoche, FPMT touches the lives of beings all over the world. In the early 1970s, young Westerners inspired by the intelligence and practicality of the Buddhist approach made contact with these lamas in Nepal and the organization was born. Now encompassing over 150 Dharma centers, projects, social services and publishing houses in thirty-three countries, we continue to bring the enlightened message of compassion, wisdom, and peace to the world.

We invite you to join us in our work to develop compassion around the world! Visit our web site at www.fpmt.org to find a center near you, a study program suited to your needs, practice materials, meditation supplies, sacred art, and online teachings. We offer a membership program with benefits such as Mandala magazine and discounts at the online Foundation Store. And check out some of the vast projects Lama Zopa Rinpoche has developed to preserve the Mahayana tradition and help end suffering in the world today. Lastly, never hesitate to contact us if we can be of service to you.

A Prayer for the Unwavering Life and Awakening Deeds of Lama Zopa Rinpoche
**Panacea of Pure Nectar**

Through you, the timely triumphant King of Medicine
And your healing nectar-compound that alleviates all ills,
May the elements of Lama Zopa Rinpoche, consummate holder of Buddha’s doctrine,
Be ever stable, his life-essence ever strong.

O mighty Lord of Death and your aiding allies,
Who care for the followers of the Yellow Hat sect as though your own child,
Instantly dispel the inner, outer, and unseen obstacles
To Lama Zopa Rinpoche, consummate holder of Buddha’s doctrine.

Colophon:
This prayer invoking the unfailing Three Refuges, “Panacea of Pure Nectar,” was composed by Sera Mey Yang Teng Tulku at the palace of the Victor. I wrote it with heartfelt sincerity reflecting on how just wonderful it would be if the illness of the incomparable Lama Zopa Rinpoche—who, having extensively preserved and continuing to sustain, serves to bring to fruition the contemporary, non-sectarian teachings of the Buddha in general and in particular those of our spiritual father, Tsongkhapa—were quickly cleared away. (It was translated into English by Jampa Jaffe, September 2011, Sydney, Australia.) Phonetics by Kendall Magnussen, checked against the Tibetan.
