Dear Dharma Friends,

It is with great sadness and regret that I personally and all the members of my centers heard of the untimely passing of Venerable Lama Zopa Rinpoche. We extend our most sincere and deep condolences to your entire community in your time of need.

We remember with admiration and respect his unstinting activities for peace and his tireless efforts to maintain and transmit the pure Dharma, never shying away from the difficulties involved in accomplishing his mission as a Lama: to teach, guide, advise, comfort and encourage others.

The supreme homage that we can all pay him is to try and follow in his footsteps by scrupulously applying the Buddha's teachings in general and those of Je Rinpoche in particular, and thereby contribute their preservation and dissemination throughout the world.

Rest assured that we join in your grief and unite our prayers with yours for the fulfilment of your beloved teacher's wishes and for his swift return so that, without delay or hindrances, he may continue his invaluable activities in the ten directions for the benefit of all sentient beings.

Yours sincerely,

Dagpo Trulku Jhampa Gyamtshog
